SERMON NOTES: Behold, The King of Glory ~ I am His Child Forever

Pastor Trevor Peck **Psalm 24**

Theme: The Sovereign King and Creator of all looked upon those who hate His name and, in love, fulfilled the righteous requirement of the law in order that those who hope on His name would one day look upon the Sovereign King of Glory and behold!

The _____ King of Glory Rules (vs 1-2)

I Am _____

The _____ King of Glory Rescues, Redeems, Reconciles, Rewards (vs 3-6)

I Am _____ _____

There is a weightiness to the **problem of sin** presented in verses 3 to 6. It's heavy. I think that's why there's a "Selah" after verse 6. It means, "Take a moment. Sit on this one. Reflect before moving on. Behold your problem."

The _____ King of Glory Reigns (vs 7-10)

I Am _____ _____ _____

There is a weightiness to the **power of grace** presented in verses 7 to 10. It's heavy. I think that's why there's a "Selah" after verse 10. It means, "Take a moment. Sit on this one. Reflect before moving on. **Behold your King**."

"The truth is, we will never understand our true condition until we get a glimpse of Christ's true glory. "Woe to me for I am ruined" is not something we should fear. Don't miss the beauty of being crushed by grace!"
