

## ADOPT -A-STUDENT

We are bringing back the Adopt-a-Student outreach this fall for families at the church and college/university students. This outreach is intended to help connect the congregation with our visiting students while they continue their studies. 'Adopting' a student means helping to support them, and there are many ways to accomplish this; providing a meal, offering the odd ride, treat them in some way or just be available to talk, as well as pray for them.

If you are a family interested in "adopting" please complete a survey and then return it to the office. Survey's can be picked up on the table outside of the sanctuary. If you are a student hoping to be "adopted", there is a copy of your survey in the welcome bags.

Both surveys are also available online at:  
<http://www.greenwoodbaptist.ca/student-ministry.html>

This weeks question:

*Should those who have faith in Christ seek their salvation through their own works, or anywhere else?*

### Comfort Meals

This church is a family and we like to take care of each other. If there has been sickness, struggles or the passing of a loved one in your family allow the church to help. We can offer a meal or two so you don't have to worry about what to have for dinner and can just be there for your family.

Contact our comfort meal coordinator, Linda Kriese at 705-472-0724, to have a meal provided.
