MISSIONS UPDATE:

The Schuster's are now back in China after having been with their oldest son in Vancouver. Luke was very sick for several weeks with an undiagnosed illness. He is doing much better and is now just trying to gain back his strength. Please pray for him through his recovery. Meanwhile, back in China, they are praising God for the new training centre that will open up soon. They are also thanking God for the impact Michelle's English classes are having to reach people. Please join them in thanking and praising God during this time.
