## Small Group Questions

1. What can we infer about the man and his brother from the man's request in v.13?
2. Why do you think Jesus refused to arbitrate over the man's grievance in v.14?
3. Read the Parable of the Rich Fool. What did Jesus condemn him for? Storing his harvest? Building bigger barns?
4. What do you think is the key verse in this passage?
5. How can money and possessions give us a false sense of security?
6. Is v.19 a proper philosophy of life? Consider this in light of 1Corinthians 15:32.

Consider 1 Timothy 6:17-19. The man in Jesus' parable thought he had obtained the good life and worry free living. But God described him as a fool. Literally someone devoid of any kind of a life. How does Paul describe what it means to truly have a life in this passage?

How would this man had acted differently if he had been "rich toward God"?

### Respond

The love of money can be a pretty subtle thing. Both the rich and the poor can love money. Can you describe a time in your life when you were deceived about this, and when the light in you was really darkness? According to Jesus, could desire for money damn a person?
