No Scents is Good Sense

As many of you are aware there have been some announcements and a church wide email sent out regarding scented products. Some people in the church have a very strong allergy to all scents. They cannot breathe when going near people wearing creams, perfumes, body sprays or colognes. We ask again that people refrain from wearing any of these products so that we can continue to worship together. Thank you for your cooperation.

Our vision is to raise up a generation of passionate disciples of Jesus Christ dedicated to proclaiming the gospel for the glory of God.
