

## MISSIONARY OF THE MONTH SPOTLIGHT

Edwin and Helmi Karwur (Toar and Kyle) (April)

### **FEB International** - Indonesia

Let me share with you briefly about the Catalyzing Movement that our Lighthouse in the Country of Islands team is doing. The Catalyzing Movement is an approach that we use to obey Jesus Christ's Great Commission of Matthew 28:18-20, where the Gospel is spread contextually among the Unreached People Groups (UPGs) or those who have never heard the Gospel.

Since January 2024, our Lighthouse Team has been used by God to share the Gospel to more than 3000 people, find 2500 potential Persons of Peace (those who accept us, our message, and lead us to their families or circle of friends), form 199 Discipleship Groups, perform 7 baptisms and start 5 home churches.

Pray that Edwin and Helmi would continue to lead the Lighthouse to reach more people with the life saving message of the gospel.
