

RESPONSIVE READING PSALM 61:1-8

To the choirmaster: with stringed instruments. Of David.

- 1. Hear my cry, O God, listen to my prayer;*
- 2. from the end of the earth I call to you when my heart is faint.
Lead me to the rock that is higher than I,*
- 3. for you have been my refuge, a strong tower against the enemy.*
- 4. Let me dwell in your tent forever!
Let me take refuge under the shelter of your wings!
Selah*
- 5. For you, O God, have heard my vows;
you have given me the heritage of those who fear your name.*
- 6. Prolong the life of the king; may his years endure to all generations!*
- 7. May he be enthroned forever before God;
appoint steadfast love and faithfulness to watch over him!*
- 8. So will I ever sing praises to your name, as I perform my vows day after day.*

BITS & PIECES

“Therefore God must have a mighty hammer [the law] to crush the rocks, and a fire burning in the midst of heaven to overthrow the mountains, that is, to crush that stubborn and perverse beast, presumption. When a man has been brought to nothing by his pounding, despairs of his own powers, righteousness, and works, and trembles before God, he will, in his terror, begin to thirst for mercy and forgiveness of sins.” Martin Luther

PRAYER REQUEST AND PRAISE:

Boogaart Family

Prayer for the Boogaart Family as their youngest daughter Daphne is in hospital with pneumonia, pertussis, and other infections. As of Friday she is showing improvement and was able to be taken off oxygen. Continued prayers for healing. Also prayers for Ashley who is staying at the hospital and Dave who is at home with the other 6 children.

The Murray Family (Lucie 3yrs old fighting leukaemia) - Missions Quebec - Chicoutimi

Our hospitalization days are in the single digits! Which is very exciting and we would love prayers for the following areas as we prepare for then next chapter of this journey:

-Peace and encouragement in the midst of unknown discharge dates and waiting

-Wisdom in how to prepare the house to be a safe space for Lucie to recover and prepare for further treatments

-Understanding as Aaron and I learn how to care for Lucie at home. There will be a lot of new medications and protocols to follow moving forward

-Logistical coordination of our discharge from the hospital as well as our depart from Ronald McDonald house

-Continue to pray for negative results for the lumbar punctures and bone marrow biopsy in one week.
